Cushion Station™ Mats

Food Grade

Anti-Fatigue / Wet or Dry Environments / Indoor

Cushion Station anti-fatigue mats feature a closed-cell nitrile rubber construction designed to withstand grease, oil, and chemicals. They are anti-microbially treated to prevent odors and available with or without holes for use in wet or dry areas.

- **Comfortable** - 7/16” high-density closed-cell nitrile rubber cushion provides excellent anti-fatigue properties
- **Odor-Resistant** - Anti-microbial treatment provides lifetime protection from odors and degradation
- **Safe** - Beveled edges provide a safe transition from mat to floor; certified high-traction by the National Floor Safety Institute (NFSI)
- **Versatile** - Grease/oil proof; chemical resistant; welding safe
- **Easy to Clean** - Flexible construction makes this mat easy to clean; can be autoclave sterilized
- **Available with drainage holes for wet area applications**
Product No. 4517 (with holes), 4518 (without holes)
