Logo / Scraper / Indoor-Outdoor

SuperScrape Signature mats feature your custom logo or artwork discreetly placed in the bottom right corner of a SuperScrape mat. Multi-color images are created by molding a digitally printed polymeric material into the durable nitrile rubber surface of the mat.

- **Clean** – Surface cleats effectively remove and trap dirt and sand below shoe level to prevent tracking
- **Safe** – Slip resistant even in wet environments
- **Suitable for Harsh Environments** – Grease/oil proof; chemical resistant
- **Easy to Clean** – Lightweight flexible design ensures easy handling and cleaning (shake off soil and hose off); can be commercially laundered
- 3/16” thick nitrile rubber with circular surface cleats; available in horizontal or vertical orientations
