WaterHog® Eco Premier Mats

Entrance / Scraper-Wiper / Indoor-Outdoor

WaterHog Eco Premier mats are durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture, keeping your floors clean, dry, and safe. Eco Premier mats feature an attractive diamond pattern.

- **Clean & Dry** - Raised nubs remove dirt and moisture from shoes and trap it below foot level; water dam border holds up to 1.5 gallons of water per square yard, keeping your floors clean, dry, and safe
- **Eco-Friendly** - PET fabric is made from 100% post-consumer recycled plastic from drink bottles, and SBR rubber backing contains 20% recycled rubber from car tires
- **Safe** - Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain Resistant** - Solution-dyed PET fabric is resistant to staining, dries quickly, and will not fade or rot
- **Available in 8 colors with choice of Classic (rubber) border or Fashion (fabric) border
- **Feature 78-mil SBR rubber with universal cleated backing or smooth backing; available with optional Anchor Safe® nitrite rubber backing on classic border mat only**
