Sure Stride® Plush Matting
Slip-Resistant / Indoor

Sure Stride Plush matting is low-profile, anti-microbial matting with adhesive backing to ensure it stays in place.

- **Keeps Floors Dry** – Retains more than to 1 gallon of water per 10 linear feet; moisture barrier keeps liquids from soaking through to the floor
- **Stays in Place** – Tacki-Back™ adhesive keeps mat flat and in place, even with heavy cart and buggy traffic
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI)
- **Odor Resistant** – Fabric is anti-microbially treated for lifetime protection from odor-causing bacteria
- **Easy to Install** – Cut individual mats from the roll as needed
- **Hassle Free** – Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass over them without causing damage
- **Dries Quickly** – Eco-friendly PET fabric (15 oz.) dissipates moisture and dries quickly
- **Will perform up to 4 months under normal use**
IMPORTANT: Leaving Sure Stride Plush on the floor longer than its intended life could cause the adhesive to transfer to the floor. Sure Stride Plush should be replaced if it shows signs of wear or damage, and it should always be replaced within 4 months regardless of wear or damage.
