New & Improved
Sure Stride® Matting
Slip-Resistant / Indoor

Sure Stride is low-profile matting with adhesive backing to ensure it stays in place. It is recommended for commercial use on hard floor surfaces to help prevent slips, trips, and falls caused by moisture.

- **Keeps Floors Dry** – Retains and quickly dissipates water; moisture barrier keeps liquids from soaking through to the floor
- **Stays in Place** – Tacki-Back™ adhesive keeps mat flat and in place, even with heavy cart and buggy traffic
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI)
- **Odor Resistant** – Fabric is anti-microbially treated for lifetime protection from odor-causing bacteria
- **Easy to Install** – Cut individual mats from the roll as needed
- **Hassle Free** – Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass over them without causing damage
- **Dries Quickly** – Surface fabric dissipates moisture and dries quickly
- **Will perform up to 4 months under normal use**
Sure Stride® Matting
Slip-Resistant / Indoor

Product No. 4450
Sizes: 2’ X 25’ roll
      3’ x 100’ roll
Color: Smoke
One cutting knife is included with each roll.
Additional cutting knives may be purchased separately.

Cutting Board     Product No. 4459
Cutting Knife     Product No. 4460

IMPORTANT: Leaving Sure Stride on the floor longer than its intended life could cause the adhesive to transfer to the floor. Sure Stride should be replaced if it shows signs of wear or damage, and it should always be replaced within 4 months regardless of wear or damage.
