The Classic Brush mat features extra-coarse nylon fibers blended with traditional fibers that create excellent scraping and wiping action for maximum soil-stopping power.

- Resilient - high-twist, heat-set nylon resists crushing, traps dirt, and extends useful life of mat
- Fade resistant - solution-dyed nylon won’t fade in sunlight or with repeated washing; impervious to bleach
- Safe - certified high-traction by the National Floor Safety Institute (NFSI)
- Durable nitrile rubber backing (65 or 90 mil) available with cleated, smooth, or suction backing
- Commercially launderable

* Available in 6’ widths (minimum order 300 linear feet for 5-foot widths)
** Available in 5’ and 6’ widths (no minimum order required)
Classıc Brush™
Dust Control / Indoor
